388.1865a.amended Performance funding; payments; unpaid amounts; report; distribution formula; score; "Carnegie classification" defined.

Sec. 265a. (1) Appropriations to public universities in section 236 for fiscal year 2016-2017 for performance funding shall be paid only to a public university that complies with section 265 and certifies to the state budget director, the house and senate appropriations subcommittees on higher education, and the house and senate fiscal agencies by August 31, 2016 that it complies with all of the following requirements:

(a) The university participates in reverse transfer agreements described in section 286 with at least 3 Michigan community colleges.

(b) The university does not and will not consider whether dual enrollment credits earned by an incoming student were utilized towards his or her high school graduation requirements when making a determination as to whether those credits may be used by the student toward completion of a university degree or certificate program.

(c) The university actively participates in and submits timely updates to the Michigan Transfer Network created as part of the Michigan Association of Collegiate Registrars and Admissions Officers transfer agreement.

(2) Any performance funding amounts under section 236 that are not paid to a public university because it did not comply with 1 or more requirements under subsection (1) are unappropriated and reappropriated for performance funding to those public universities that meet the requirements under subsection (1), distributed in proportion to their performance funding appropriation amounts under section 236.

(3) The state budget director shall report to the house and senate appropriations subcommittees on higher education and the house and senate fiscal agencies by September 30, 2016, regarding any performance funding amounts that are not paid to a public university because it did not comply with 1 or more requirements under subsection (1) and any reappropriation of funds under subsection (2).

(4) Performance funding amounts described in section 236 are distributed based on the following formula:

(a) Proportional to each university's share of total operations funding appropriated in fiscal year 2010-2011, 50%.

(b) Based on weighted undergraduate completions in critical skills areas, 11.1%.

(c) Based on research and development expenditures, for universities classified in Carnegie classifications as doctoral/research universities, research universities (high research activity), or research universities (very high research activity) only, 5.6%.

(d) Based on 6-year graduation rate, total degree completions, and institutional support as a percentage of core expenditures, and the percentage of students receiving Pell grants, scored against national Carnegie classification peers and weighted by total undergraduate fiscal year equated students, 33.3%.

(5) For purposes of determining the score of a university under subsection (4)(d), each university is assigned 1 of the following scores:

(a) A university classified as in the top 20%, a score of 3.

(b) A university classified as above national median, a score of 2.

(c) A university classified as improving, a score of 2. It is the intent of the legislature that, beginning in the 2017-2018 state fiscal year, a university classified as improving is assigned a score of 1.

(d) A university that is not included in subdivision (a), (b), or (c), a score of 0.

(6) As used in this section, "Carnegie classification" means the basic classification of the university according to the most recent version prior to February 1, 2016 of the Carnegie classification of institutions of higher education, published by the Carnegie Foundation for the Advancement of Teaching.
